Accommodations and Special Features

Heron is a very comfortable yacht providing an exceptionally comfortable salon that easily accommodates 10 persons. The galley forward to port provides all electric stove and oven, plus microwave, coffee maker, large refrigerator and freezer, and excellent storage for dishes and silverware. The day head is to starboard, with the comfortable pilot house up two steps and forward. Down the circular stairs finds two twins to port, and the master forward with the master head to starboard. The bridge deck is also exceptional, with a lot of deck space, and the full walkaround gunwale is unusual for this size vessel. You will find that Heron provides spaciousness far beyond the 47 foot measurement.
