Accommodations and Special Features

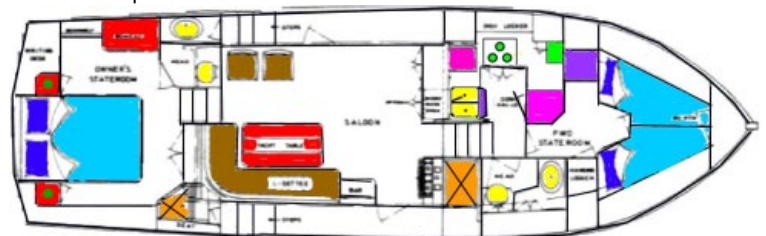

Unlike the classic Grand Banks, the Motor yacht provides greater interior and exterior spaces. The gunwale walk continues from port to starboard, from the Sundeck, and the Sundeck provides a spacious outdoor gathering for many, with five deck chairs. The bridgedeck, with 2nd helm is equally spacious, and includes an L-lounge with custom table. Inside, the forward stateroom provides V-berths, and is quite roomy. Just aft, the guest head is equipped with Vacuflush toilet, and a full stall shower. The master stateroom aft is more spacious, with a private shower to starboard, and the roomy head to port with Vacuflush toilet and large vanity. The queen berth is unique to Grand Banks tradition, and the abundant storage is an added bonus. The Salon features a built in Settee, convertible, plus 2 chairs, a small bar with ice maker, a Sony Plasma HD flat screen color television, Satellite tracking Direct TV, and full stereo system. The lower helm is to starboard, forward. The galley features a 3 element Princess electric stove with oven, microwave, double sink with filler cutting boards, traditional Grand Banks top/bottom refrigerator/freezer, with 2 latching doors, plus a second top load refrigerator, and a top load dishwasher under the sink. There is also good counter space and ample storage.
